The 2013 school year has come to a close at Acres of Hope. A closing ceremony was held and the top students in each class were rewarded in categories such as academic excellence, most disciplined, good hygiene, and English communication. We are so thankful to our friends, sponsors and partners who have generously financed the operations of the school and homes this year.

It has been years in the making, just like every story written by God. Our friend KB is back in Uganda, with an official court date to adopt Daizy. KB is a Jesus following, path-paver as she is the first to adopt from Acres of Hope. While she is in Uganda finalizing the process, she will be spending quality time loving on Daizy and preparing her for school in the states. Please continue to pray for both KB and Daizy as they start a new chapter in this journey.

Jessica Duncan, our intern over the last few months, made it home safely. She was inspired to design these t-shirts to help raise money for the furnishing of the 4th house. They are navy blue, long sleeve and make great Christmas gifts! They are \$20 and you can order them through 127World Wide. Just place your size in the memo line and add a few dollars for shipping.

We praise God for each of you and the investments you make in the lives of the children and community at Acres of Hope. Know it is not in vain. 1 Corinthians 15:58
