Acres of Hope is an organization and orphanage located in Nebbi, Uganda. An area plunged into darkness due to war, poverty and AIDS. Visionary Pastor Odongo Geoffrey Keronga is on a mission to restore hope to his community and the suffering children in the area.

With school out for the month of December, Pastor Geoffrey planned and threw a Christmas party for the children of Acres of Hope and the community. They celebrated the birth of our Savior and enjoyed "swallowship!" Construction on the 5th pod house is going well!

#### Timeline:

July 2011: Ground breaking on pod houses

April 2012: Child sponsorship program begins

Summer 2012: Children move into completed homes on site

June 2012: Acres of Hope school starts

January 2013: A freshwater well is constructed

May 2013: Construction on temporary school structure

July: Construction begins on fifth home

Our friend KB is still in Uganda on her adoption journey. On December 19th, she was appointed as the legal guardian of Daizy! They have been enjoying time together coloring, singing and dancing. KB is learning how to be a parent, much like all first time parents. There are still a few hurdles to get over before coming home. Please keep them in your prayers as they prepare for life in America.

#### Prayer requests:

\$3,000 to furnish home #4

\$4,500 to furnish the classrooms.
