Empowering orphans and vulnerable children at Acres of Hope Uganda

Life Changing Impact

Tammy travels the world visiting places where there is suffering and need and she sees so much. She has the eyes of Christ! While in South Sudan, where famine and civil war were tearing families apart, she found 2 young girls who particularly caught her eye.....and in an instant knew that she already knew them! Maria and Grace were secure ordinary girls once, but now they were suffering in conditions unimaginable to most of us. Tammy knew that 2 young girls could not survive a refuge camp alone. She googled places that might take them in and she found Acres of Hope international! After much discussion with Michelle Campbell and Pastor Geoffrey the girls had a new home. They are now living at Acres of Hope, they are sponsored by Tammy and they are thriving! Nurtured by the house moms and the teachers, loved and embraced by the other students, and filled with the hope of Jesus Christ through Geoffrey's guidance and leadership, Maria and Grace are now living in fullness, in safety and in love. When you give to Acres of Hope, you give to young girls like Marie and Grace. Thank you!

JOIN THE CHALLENGE!

The last steps for school certification continue! Help Acres of Hope cross the finish line for certification by participating in the Acres of Hope Friends and Family Challenge! Take the challenge! Visit www.AOH.family for details and to sign up.

THANK YOU!!

eMite.org has partnered with Acres of Hope to give our children a better nights rest! eMite has delivered 122 new mattresses and 44 new decker beds to AOHU! Good sleep promotes good health and increases children's attention span. Thank you eMite!

Williamson's Chapel's recent gift will allow AOHU to complete the security fencing around the entire property! Not only is this fencing required by the Ugandan Ministry of Education for AOHU School Certification, but it is also essential for the safety and security of our children! Thank you WCUMC for this generous gift!
