

Acres of Hope International

Next Step: Sponsorship

Payment Information

Your child sponsorship at **UGANDA** will be administered by Acres of Hope International, rather than World of God, beginning January 1, 2018. In an effort to make the financial transition seamless, we are asking sponsors who pay by credit or debit card to enter their payment information in our new website as soon as possible. Your payment information will be held there, but not billed until January 1, 2018, at which time World of God will no longer be billing you for your sponsorship.

Note: If you pay for your sponsorship by check, you are encouraged to sign into your account on our new system, but no payment information is needed. You will be billed via email as in the past.

If you pay by ACH (electronic fund transfer), we cannot initiate these payments through our new website. If you have online bill pay, we encourage you to set up a check sent to AOHI monthly. Please contact joan@aohi.org if you have questions.

If you have any questions at all about the transition, please do not hesitate to contact any of the AOHI board members listed below.
