School Construction

Acres of Hope Nebbi Campus students are appealing to all well wishers to join hands with them in building their permanent school building. To donate to the construction costs of the school: Visit WorldOfGod.org / Make a One Time Donation. Be sure to indicate Acres of Hope Uganda School Fund in the Comment section. 100% of your donation will go to the school construction. Please contact Michelle@WorldOfGod.org with questions.

Thank you to the WCUMC Methodist Men's Group for their donation to the Acres of Hope Pakwach Campus school improvements. Concrete flooring and metal walls will make school possible even during the rainy season.

Interesting Facts

SCHOOL

Of the 122 sponsored children at Acres of Hope, 75% attend Acres of Hope Nursery & Primary School, either at the Nebbi campus or the Pakwach campus. 25% of our students attend other area schools which are closer to their homes. All school fees, uniforms, and supplies are paid for by your sponsorship in either case.

HOME

One-third of the sponsored children live in the pod homes at Acres of Hope in Nebbi. Two-thirds live in the community with relatives or neighbors who have been screened by Acres of Hope. All provide a loving, healthy environment for the children.

Donations for September Trip to Acres of Hope

We are collecting the following items to deliver to Acres of Hope in September. If you would like to donate, please contact Michelle@WorldOfGod.org to drop off items. (NO crayons, we have many)
