Seasons of Change Require Extra Prayers

While we enjoy the beauty of fall here in the U.S., Uganda is in their rainy season. Unfortunately, this year the rainy season is more severe and is causing major disruptions. Several important crops have washed away and transportation is difficult and limited. As Ugandans do not have safety nets, this disruption causes significant suffering. But we are a people of HOPE! We ask that you join us in praying for the people there! We ask that you join us in thanking God for Pastor Geoffrey's commitment to caring for the students at Acres of Hope! And we thank you for your love and support for the vulnerable children we serve at AOH!
